Summary Report:

Thank you and congratulations to all of you that played.

Apologies for the confusion at the start, but we hope that you all enjoyed the day.

Congratulations to our winners 1st - Keith Byrne Fraser, 2nd Stephen Coulson and 3rd Ty Gardner, and also to our 3 feature hole winners who are listed above - as well as our Wooden Spooner Richard Lay - on count back from Alex Jackson!

There were no 2-clubs in the Competition.

Our round times were broadly within our new target of 4 hours 20 min - even though we did not measure them - well done everyone.

The revised method of calculating handicaps seems to be working well and scores at the top end were close and competitive. Of our members, 12 out of 18 scored 31 points or more and their were no scores over 38.

Any Members that are playing regularly at other courses and would like their scores to be considered for inclusion in the handicap calculation, please contact Robin Moore or Christian Parn.

Members are also reminded if they have an official current World Handicap from a registered golf club, they may play off this handicap in SBGS events. Contact Robin Moore or Christian Parn for more information.
